ABOUT THE INSTITUTE

Bhilai Institute of Technology, Raipur (BIT, R) was established in the year 2009 as the second institution by the BIT Trust (Seth BalKrishan Memorial), which already governs BIT Durg. BIT RAIPUR since its inception in 2009 has been a pioneering engineering institution that has carved its name in the field of quality engineering education and providing employable, forward-looking and complete engineers to the society. BIT Raipur is approved and recognized by AICTE and affiliated to CSVTU, Bhilai. It has been strategically set up in the heart of Atal Nagar (New Raipur) which is fast growing up as the hub of technology and industry.

ABOUT THE DEPARTMENT

Established in 2009, Mechanical Engineering department has a dynamic, highly qualified & experienced team of faculty members who are constantly engaged in R&D activities. The department presently offers B. Tech. in Mechanical Engineering, Diploma in Mechanical Engineering, M. Tech. in Industrial Safety and Ph.D. (Multidisciplinary) programme. The department has a number of research projects in the field of design, luminescence materials, MEMS devices & pollution control sponsored by TEQIP-III. The department also has been recognized as a research center by CSVTU, leading to Doctoral degree. Additionally, the Department has MOU with CIPET, NECO, CAD Academy and Devanshi Engineering Consultancy Services.

ABOUT AICTE KARMA SCHEME

AICTE is initiating "Kaushal Augmentation and Restructuring Mission of AICTE" (KARMA) for all AICTE approved institutions in the country to overcome the dual challenge of scarcity of skilled manpower in jobs and low skill level of those who are presently in jobs.

The scheme aims at:

1. Strategically planned skill initiatives to create skilled and certified workforce, who not only contribute towards the growth of India but also drive the country into becoming the global skills capital.
2. Encourage the institutions for making the best use of available infrastructure of higher education system during off hours for skill training by re-aligning the existing infrastructure for the skill courses specially, training AIDS, syllabus, curriculum etc. as per NSQF aligned Qualifications.
3. This scheme is applicable to the candidate who have passed at least 10th standard/ ITIs
4. The training under the Scheme shall be, any domain-specific demand-led skill training activity preferably in core engineering sectors leading to employment.

ABOUT THE CERTIFICATE COURSE

The course is targeted in covering the basic and recent advancements in the area of drafting with hands on experience.

TARGET PARTICIPANTS

Target Participants:

All engineering (B Tech, Diploma) students, ITI students, all students who have cleared 10th class exam.
